The Food Truck Queen is owned and operated by Charlene Steele and her CFO is Darryl Tyrone Jackson.

Our Team:

Together they employ and manage sub-contractors as needed to fulfill our contractual agreements. Charlene is a Black Female Minority Vendor with a proven track record of excellence in customer service and quality design and consulting.

Our Evolution:

The Food Truck Queen is currently undergoing an amazing transformation where we are creating an incredible pitch-deck that will outline our initiatives in the following areas;

Product & Service Expansion

Mobile Unit Sales

Branding, Marketing and Imaging Enhancement

Strategic Partnership Development

CBDT (core business development team) Development

The rollout of our new website with enhanced social media utilization and national branding campaign. We are building our CBDT (core business development team) to scale up our operational capacity and to integrate a more intimate product and service delivery experience for our Clients.

What's Coming Next:

Current & New Cooperatives:

We are fully utilizing our current relationships while building new ones to expand our product and service delivery capabilities. Our focus will be on “mutually beneficial relationships” that allow us to scale our operations naturally.

Why do Business with Us

The demand continues to grow for mobile food service businesses to create food trucks and trailers to enhance their own business. The Food Truck Queen provides a full range of both a-la-carte and turnkey solutions for our Clients that are nearly impossible to find elsewhere. Our growth model, as provided in our new “Operational Plan for Expansion” will outline these details moving forward.

This short summary titled “Snapshot of Our Evolution” is to be selectively shared prelude to the rollout of our new website, operational plan and pitch-deck. The scope of our plans are refreshingly unique while being well within our capabilities to fulfill.
